Inter-School Otter Speech Competition

We are pleased to invite your esteemed school to participate in the **Inter-School Otter Speech Competition**, scheduled to take place on **24th October 2024** at **Daarulhikmah Arabic and Islamic Group of Schools, Osogbo, Osun State, Nigeria**. The event will begin promptly at **10:00 AM**.

The primary objective of this competition is to instil awareness of environment/otter conservation among students and encourage them to become advocates for wildlife protection. Through this event, we aim to empower students to lead the conversation on environmental stewardship and inspire their communities to support conservation efforts.

This exciting speech competition will feature students from different schools, each delivering a speech on the importance of otters, their habitats, and the challenges these animals face. The participants will be evaluated based on their composure, grammatical accuracy, and overall delivery. We will provide educational materials to support the students, and prizes will be awarded to those who secure the First, Second, and Third Place positions. Your school will also feature in the Impact report which will be shared through our social media.

We believe your school's participation would significantly contribute to this meaningful initiative, and we look forward to having your students join us in championing otter conservation.

Should you have any questions or require further information, please do not hesitate to contact us.

We look forward to your positive response.

Warm regards,
Saheed Abdofar – Project Coordinator (07068696442)

Salami Michael – Team Lead (08162591156)
